7 MICHAEL ANTHONY SAAVEDRA,)
8 Plaintiff(s),) No. C 09-0178 CRB (PR)
9 v.) ORDER
10 A. HEDGPETH, et al.,)
11 Defendant(s).)
12

13 Plaintiff requests a photocopy of the back side of the envelope in which he
14 mailed his complaint to the court. He explains that the back side of the envelope
15 should show the signature of the correctional officer to whom plaintiff gave the
16 complaint for mailing to the court and the date on which plaintiff gave it to the
17 officer, and that this information is relevant to the resolution of defendants'
18 motion to dismiss the complaint as time-barred.

19 Unfortunately, the electronic docket for the case only contains a scan of
20 the front side of the envelope in which plaintiff mailed his complaint to the court
21 (see docket doc #1-3). It does not contain a scan of the back side of the envelope.
22 And the original envelope is not part of the record and is no longer available.

23 The clerk shall send plaintiff a copy of docket document #1-3 and scan the
24 front and back of all envelopes containing filings from pro se prisoners.

25 SO ORDERED.
